How News Publishers are Turning Casual, Infrequent Readers into Paying Subscribers

With a pandemic, U.S. presidential election, and other high-interest news events in the last year, publishers enjoyed a surge of interest from readers who aren't necessarily news hounds in 2020. Retaining light readers — "casual, infrequent, and picky consumers of news" — are key to a viable subscription business, according to a new report from the...

An Opinion on Opinions in a Pandemic

When it comes to opinion journalism, it's on editors to ensure that it isn't just the loudest (often self-proclaiming) experts who are provided with a platform for their views and ideas, but those with demonstrated expertise, humility and thoughtfulness, as they often add immeasurable value to the public conversation — perhaps, especially, those...
