February State Legislation Update

Introduction

LawView is a tool that will track state legislation on a monthly and as-needed basis. These reports cover state developments critical to the news media industry so that our members can affect policy decisions at a local level. We can add issues or bills to cover, pull reports on a specific piece of legislation upon request, and are open to suggestions for how we will shape this tool for you moving forward. Please email us at policy@newsmediaalliance.org.

Drones (17)
Title
Unmanned aircraft: state and local regulation: limitations.

Description
AB 1190, as introduced, Irwin. Unmanned aircraft: state and local regulation: limitations. Existing law prohibits a person from knowingly and intentionally operating an unmanned aircraft system on or above the grounds of a state prison, a jail, or a juvenile hall, camp, or ranch. Existing law provides a local public entity or employee with immunity as to any person engaging in hazardous recreational activity, as defined, and for damage to an unmanned aircraft while the local entity or employee is providing emergency services. Existing law defines “unmanned aircraft” and other terms for purposes of these provisions. This bill would, among other things, prohibit a state or local agency from adopting any law or regulation that bans the operation of an unmanned aircraft system. The bill would include the operation of small unmanned aircraft systems within the definition of hazardous recreational activity for purposes of public entity liability. The bill would authorize a state or local agency to adopt regulations to enforce a requirement that a small unmanned aircraft system be properly registered under existing federal regulations. The bill would also authorize a state or local agency to require an unmanned aircraft operator to provide proof of federal, state, or local registration to licensing or enforcement officials. The bill would define terms for purposes of these provisions.

Jacqui Irwin

Title
Relating To Unmanned Aircraft Systems.

Description
Defines unmanned aircraft systems. Establishes penalties for unauthorized use of unmanned aircrafts.
Title
Relating To Violation Of Privacy.

Description
Clarifies that under certain circumstances, the use of an unmanned aircraft system may be a violation of privacy. Increases the penalty for violation of privacy in the second degree to a class C felony for offenses involving the use of an unmanned aircraft system.

Title
Relating To Violation Of Privacy.

Description
Makes violation of privacy a more serious offense if an unmanned aircraft system is used to commit the offense.

Title
Relating To Unmanned Aircraft Systems.

Description
Defines terms relating to unmanned aircrafts. Establishes the offenses of unauthorized use of unmanned aircraft in the first, second, and third degree.

Primary Sponsors
Clarence Nishihara

Title
Crim Cd-Drone-Privacy

Description
Amends the Criminal Code of 2012. Provides that it is unlawful for any person to, without the consent of another person, operate an unmanned aerial vehicle in a manner that: (1) is intended to cause the unmanned aerial vehicle to enter the space above or surrounding the other person's occupied residence for the purpose of making a video record or transmitting live video or audio recordings of the other person while the other person is: (A) within his or her occupied residence; or (B) on the land or premises on which his or her occupied residence is located; and (2) invades the other person's reasonable expectation of privacy. Provides that the offense is a Class A misdemeanor. Defines "unmanned aerial vehicle".

NOIA (5)
Title
Publishing Criminal Records

Description
Amends the Freedom of Information Act. Provides that a law enforcement agency may not electronically provide or publish booking photographs unless: (1) the booking photograph is posted to social media to assist in the search for a missing person or to assist in the search for a fugitive, person of interest, or individual wanted in relation to a crime other than a petty offense, business offense, Class C misdemeanor, or Class B misdemeanor; or (2) the person is convicted of a crime other than a petty offense, business offense, Class C misdemeanor, or Class B misdemeanor. Deletes language providing that a law enforcement agency may publish on its social media website booking photographs relating to charges other than civil offenses, petty offenses, business offenses, Class C misdemeanors, and Class B misdemeanors. Amends the Consumer Fraud and Deceptive Business Practices Act. Provides that it is an unlawful practice for a for-profit publishing entity that publishes on a publicly available Internet website or in any other publication that charges a fee for removal or correction of the information to fail to remove within 30 days, without the imposition of any fee, the criminal record information of a person who provides the entity with: a pardon from the Governor or a certificate of innocence stating that the person is innocent of all offenses relating to the criminal record information; court records indicating that the person was found not guilty or that the case ended without a finding of guilt; or an order to expunge or seal the criminal record information of the person. Provides that a violating entity is subject to a civil penalty of $1,000 per day, plus attorney's fees, which shall be deposited into the General Revenue Fund.

### Foia/Elections-Cybersecurity

**Title**
Foia/Elections-Cybersecurity

**Description**
Amends the Freedom of Information Act. Exempts from disclosure risk and vulnerability assessments, security measures, schedules, certifications, and response policies or plans that are designed to detect, defend against, prevent, or respond to potential cyber attacks upon the State’s or an election authority's network systems, or records that the disclosure of which would, in any way, constitute a risk to the proper administration of elections or voter registration. Provides that the information is exempt only to the extent that disclosure could reasonably be expected to jeopardize the effectiveness of the measures or the safety of computer systems. Provides that the exemption applies to records held by the State Board of Elections, the Department of Innovation and Technology, election authorities, and any other necessary party to protect the administration of elections. Amends the Election Code. In provisions governing the administration of the cyber navigator program, directs the allocation of resources received in accordance with the 2018 Help America Vote Act Election Security Grant (instead of the allocation of resources received in accordance with the federal Help America Vote Act). Effective immediately.

Digital Election Communication

Amends the Election Code. Provides that "electioneering communication" also means a digital communication and includes any communication that is placed or promoted on an online platform. Provides the requirements for an online platform. Provides that the requirements do not apply to a news medium or reporter as defined in the Code of Civil Procedure. In provisions concerning disclosures in political communications, provides that a political committee that pays for a specified political communication must be identified conspicuously within the communication. Provides that a communication does not make a statement in a clear and conspicuous manner if it is difficult to read or hear or if the placement is easily overlooked. Provides that each provider of electioneering communications shall make reasonable efforts to ensure that electioneering communications are not purchased by a foreign national, directly or indirectly.

Title
Newspapers; legal notice and publications, requirements.

Description
Newspapers; legal notice and publications; requirements. Alters the requirements for newspapers that may be used for legal notices and publications by (i) changing the publication and circulation requirement from 24 consecutive weeks to at least 50 of the preceding 52 weeks and requiring such publication be in printed form; (ii) requiring that such a newspaper provide general news coverage of the area in which the notice is to be published; and (iii) requiring that such a newspaper have a periodicals mailing permit issued by the United States Postal Service. The bill further provides that a newspaper that lacks a periodicals permit issued by the United States Postal Service may petition the circuit court for the jurisdiction in which such notices or publications are to be published, as opposed to where such newspaper is located as current law requires, for the authority to be certified as a newspaper of general circulation. The bill further allows a locality that determines that no newspaper published in such locality otherwise meets the requirements that enable it to be a newspaper for the use of such notices and publications to petition the circuit court in the jurisdiction in which such notices and publications are to be published for the authority to be published in another medium. The bill specifies that such petition shall not be filed without majority approval of the locality's local governing body. The bill requires that any newspaper authorized to publish such notices and publications shall also (a) print such notices and publications in a prominent location in such newspaper with an identifying heading printed in boldface letters no smaller than 24-point type and (b) maintain at least three years' worth of print archives of such newspaper and make such archives available for public inspection. The bill further requires that a newspaper shall post a notice on the newspaper's website, if such a website is published by such newspaper, and on a searchable, statewide repository website established and maintained as a joint venture of the majority of Virginia newspapers as a repository for such notices. The bill provides that any notice published on a website shall be accessible to the public at no charge.

**Telemarketing (7)**
Title
Autodialer-Caller Id-Consent

Description
Amends the Automatic Telephone Dialers Act. Redefines "recorded message" to mean any artificial or recorded communication that includes or introduces an advertisement or constitutes telemarketing without live voice interaction (rather than any taped communication soliciting the sale of goods or services without live voice interaction). Prohibits an autodialer from providing inaccurate caller ID information in violation of a specified federal law and regulations of the Federal Communications Commission. Provides that it is a violation of the Act to play a recorded message (rather than a prerecorded message) placed by an autodialer without the (i) prior express consent of the called party or (ii) the prior express written consent of the called party if the call is made by or on behalf of a tax-exempt nonprofit organization or is a call that delivers a health care message made by, or on behalf of, a covered entity or its business associate as those terms are defined in a specified provision of the Health Insurance Portability and Accountability Act of 1996. Defines "telemarketing" and "prior express written consent".

Virginia Telephone Privacy Protection Act; transmission of caller identification information.

Description
Virginia Telephone Privacy Protection Act; transmission of caller identification information. Prohibits any person, with the intent to defraud, harass, cause harm, or wrongfully obtain anything of value, from making, placing, or initiating a call or text message or engaging in conduct that results in the display of misleading, false, or inaccurate caller identification information on the receiving party's telephone. The measure prohibits conduct to otherwise (i) circumvent caller identification technology that is designed to allow the receiving party to identify the telephone number, location, or organization from which the call or text message originates or (ii) misrepresent the origin and nature of the call or text message. The measure also prohibits a person, with such intent, from displaying (a) a Virginia area code on the recipient's caller identification system unless the person making, placing, or initiating the call or text message maintains a physical presence in the Commonwealth or (b) the receiving party's telephone number on the contacted party's caller identification system. A violation of these provisions is subject to the remedies provided in the Virginia Telephone Privacy Protection Act (§ 59.1-510 et seq.).

Title
California Consumer Privacy Act of 2018.

Description
AB 25, as introduced, Chau. California Consumer Privacy Act of 2018. Existing law, the California Consumer Privacy Act of 2018, beginning January 1, 2020, grants consumers various rights with regard to their personal information held by businesses, including the right to request a business to disclose specific pieces of personal information it has collected. This bill would state the intent of the Legislature to enact legislation relating to the California Consumer Privacy Act of 2018.

<tr>
<td>Description</td>
<td>AB 950, as introduced, Levine. Consumer privacy protection. Existing law prohibits a business from requesting medical information directly from an individual regardless of whether the information pertains to the individual, and using, sharing, or otherwise disclosing that information for direct marketing purposes unless certain requirements are met, including that it disclose that it is obtaining the information to market or advertise products, goods, or services to the individual and that it obtain consent for the information to be used or shared for that purpose, as specified. This bill would require a business that conducts business in California, and that collects a California resident's consumer data, to disclose to the consumer the monetary value to the business of their consumer data by posting the average monetary value to the business of a consumer's data, including that information in its privacy policy posted on its internet website, and also including in its privacy policy disclosure of any use of a consumer's data that is not directly or exclusively related to the service that the consumer has contracted the business to provide, as specified. The bill would also require a business that conducts business in California, that collects a California resident's consumer data, and that sells that data, to disclose to the consumer the average price it is paid for a consumer's data and to disclose to the consumer the actual price it was paid for a consumer's data upon receipt of a verifiable request for that information from the consumer. This bill would also establish the Consumer Data Privacy Commission comprised of members of academia, civil society, and industry to provide guidance to the Legislature regarding appropriate metrics and methodology for determining the value of consumer data. The bill would require the commission to report its findings to the Legislature on or before January 1, 2021.</td>

Title
Personal information.

Description
AB 1355, as introduced, Chau. Personal information. Existing law, the California Consumer Privacy Act of 2018, operative January 1, 2020, grants a consumer various rights in connection with a business, as defined, that collects the consumer’s personal information. The act defines various terms for these purposes. The act excludes publicly available information, as defined, from the definition of personal information and excludes both consumer information that is deidentified, as defined, and aggregate consumer information, as defined, from the definition of publicly available. Thus, the act does not exclude, as publicly available information, any either consumer information that is either deidentified or aggregated. This bill would, instead, exclude consumer information that is deidentified or aggregate consumer information from the definition of personal information. The bill would also make nonsubstantive changes to the definition provisions.

Title
Business: collection and disclosures of Consumer personal information.

Description
AB 1416, as introduced, Cooley. Business: collection and disclosures of Consumer personal information. Existing law, the California Consumer Privacy Act of 2018, beginning on January 1, 2020, grants a consumer various rights with regard to personal information relating to that consumer that is held by a business, including the right to know the categories of personal information, and the specific pieces of personal information, that a business collects about the consumer. Existing law declares that the act does not restrict a business's ability to, among other things, comply with federal, state, or local laws. This bill would specify that the act also does not restrict a business's ability comply with any rules or regulations. The bill would further specify that the act does not restrict a business's ability to collect, use, retain, sell, authenticate, or disclose personal information in order to: (1) exercise, defend, or protect against legal claims, (2) protect against or prevent fraud or unauthorized transactions, (3) protect against or prevent security incidents or other malicious, deceptive, or illegal activity, or (4) investigate, report, or prosecute those responsible for protecting against fraud, unauthorized transactions, and preventing security incidents or other specified activities. The bill would additionally specify that the act does not restrict a business's ability to collect, use, retain, sell, authenticate, or disclose a consumer's personal information for the purpose of assisting another person or government agency to conduct specified activities.

Title
Consumer privacy: consumer request for disclosure methods.

Description
AB 1564, as introduced, Berman. Consumer privacy: consumer request for disclosure methods. Existing law, the California Consumer Privacy Act of 2018, commencing January 1, 2020, grants a consumer various rights with regard to the consumer's personal information that a business collects, discloses for a business purpose, or sells. Among these rights, the act authorizes a consumer to request that a business that collects, discloses for a business purpose, or sells the consumer's personal information to disclose to the consumer specified information related to those activities. The act imposes certain responsibilities on the Attorney General in connection with the act, including the creation of regulations and providing guidance on how to comply with the act. The act provides that an above-described business is required, in a form that is reasonably accessible to consumers, to make available to consumers 2 or more designated methods for submitting requests for specified information required to be disclosed, including, at a minimum, a toll-free telephone number, and, if the business maintains an internet website, a website address. This bill would, instead, require the business, in a form that is reasonably accessible to consumers, to make available to consumers a toll-free telephone number or an email address for submitting requests for information required to be disclosed, as specified. The bill would, if the business maintains an internet website, require the business to make the internet website address available to consumers to submit requests for information required to be disclosed, as specified.

California Consumer Privacy Act of 2018: consumer remedies.

Description

SB 561, as introduced, Jackson. California Consumer Privacy Act of 2018: consumer remedies. (1) Existing law, the California Consumer Privacy Act of 2018, beginning on January 1, 2020, grants a consumer various rights with regard to personal information relating to that consumer that is held by a business, including the right to know what personal information is collected by a business and to have information held by that business deleted, as specified. The act specifically authorizes a consumer whose nonencrypted or nonredacted personal information, as defined, is subject to unauthorized access and exfiltration, theft, or disclosure as a result of the business’s failure to maintain reasonable security procedures to institute a civil action for various damages. This bill would expand a consumer’s rights to bring a civil action for damages to apply to other violations under the act. (2) Under existing law, a business or third party may seek the opinion of the Attorney General for guidance on how to comply with the act. This bill would instead specify that the Attorney General may publish materials that provide businesses and others with general guidance on how to comply with the act. (3) Under existing law, a business, service provider, or other person that violates the act is subject to an injunction and is liable for a civil penalty for each violation, which is assessed and recovered in a civil action by the Attorney General. Existing law specifies that a business is in violation of the act if it fails to cure an alleged violation within 30 days after being notified of alleged noncompliance. This bill would delete the 30-day period in which to cure after receiving notice of an alleged violation. The bill would also make related and conforming changes to those provisions.

### California Consumer Privacy Act of 2018

**Title**
California Consumer Privacy Act of 2018.

**Description**
SB 752, as introduced, Stern. California Consumer Privacy Act of 2018. Existing law, the California Consumer Privacy Act of 2018, beginning on January 1, 2020, grants a consumer various rights with regard to personal information relating to that consumer that is held by a business, including the right to know what categories of personal information and the specific pieces of information that a business collects and to have information held by that business deleted, as specified. Existing law prohibits a business from discriminating against a consumer because of the consumer's exercise of rights under the act and specifies that a business may offer a different price, rate, level, or quality of goods or services to the consumer if that price or difference is directly related to the value provided to the consumer by the consumer's data. This bill would make a nonsubstantive change to these provisions.
