April State Legislation Update

Last Updated: April 29, 2019

Introduction

LawView is a tool that will track state legislation on a monthly and as-needed basis. These reports cover state developments critical to the news media industry so that our members can affect policy decisions at a local level. We can add issues or bills to cover, pull reports on a specific piece of legislation upon request, and are open to suggestions for how we will shape this tool for you moving forward. Please email us at policy@newsmediaalliance.org.

Title

Strategic Lawsuits Against Public Participation

Description

The bill establishes an expedited process for a court to follow in a civil action in which a defendant files a motion to dismiss based upon the fact that the defendant was exercising the defendant's constitutional right to petition the government or of free speech. The bill also authorizes an interlocutory appeal of the granting or certain denials of the motion to dismiss. (Note: This summary applies to the reengrossed version of this bill as introduced in the second house.)

Title

Unmanned aircraft: state and local regulation: limitations.

Description

AB 1190, as amended, Irwin. Unmanned aircraft: state and local regulation: limitations. Existing law prohibits a person from knowingly and intentionally operating an unmanned aircraft system on or above the grounds of a state prison, a jail, or a juvenile hall, camp, or ranch. Existing law provides a state or local public entity or employee with immunity as to any person engaging in hazardous recreational activity, as defined, and for damage to an unmanned aircraft while the local entity or employee is providing emergency services. Existing law defines "unmanned aircraft" and other terms for purposes of these provisions. Existing federal regulations, adopted and administered by the Federal Aviation Administration (FAA), regulate the operation of unmanned aircraft and unmanned aircraft systems. Existing federal regulations generally preclude enforcement of these regulations by state or local entities, except in certain areas such as police use, and prohibiting use for voyeurism, following consultation with the FAA.This bill would, among other things, prohibit a state or local agency from adopting any law or regulation that bans the operation of an unmanned aircraft system. The bill would also authorize a local agency to adopt regulations to enforce FAA regulations regarding the operation of unmanned aircraft systems and would authorize local agencies to regulate the operation of unmanned aircraft and unmanned aircraft systems within their jurisdictions, as specified. The bill would also authorize a local agency to require an unmanned aircraft operator to provide proof of federal, state, or local registration to licensing or enforcement officials. The bill would include the operation of small unmanned aircraft systems within the definition of hazardous recreational activity for purposes of public entity liability, and would authorize a local entity to designate a recreational operating area for unmanned aircraft operation. The bill would immunize a local entity that designates such a recreational are from liability for injury or damage associated with unmanned aircraft operation, if specified signage is posted. The bill would define terms for purposes of these provisions. Existing law prohibits a person from knowingly and intentionally operating an unmanned aircraft system on or above the grounds of a state prison, a jail, or a juvenile hall, camp, or ranch. Existing law provides a local public entity or employee with immunity as to any person engaging in hazardous recreational activity, as defined, and for damage to an unmanned aircraft while the local entity or employee is providing emergency services. Existing law defines "unmanned aircraft" and other terms for purposes of these provisions. Existing federal regulations, adopted a... (click bill link to see more).

Crim Cd-Drone-Privacy

Description

Amends the Criminal Code of 2012. Provides that it is unlawful for any person to, without the consent of another person, operate an unmanned aerial vehicle in a manner that: (1) is intended to cause the unmanned aerial vehicle to enter the space above or surrounding the other person's occupied residence for the purpose of making a video record or transmitting live video or audio recordings of the other person while the other person is: (A) within his or her occupied residence; or (B) on the land or premises on which his or her occupied residence is located; and (2) invades the other person's reasonable expectation of privacy. Provides that the offense is a Class A misdemeanor. Defines "unmanned aerial vehicle".

Unmanned aircraft systems; work group to explore issues related system activities.

Bill Number

SB 307

Description

Department of Aviation; unmanned aircraft systems. Directs the Department of Aviation to convene a work group with stakeholders to explore issues related to unmanned aircraft system activities in coordination with the Federal Aviation Administration and other responsible federal agencies. The bill defines "unmanned aircraft" and "unmanned aircraft system" for application to Title 5.1 (Aviation), but such definitions shall not become effective unless reenacted by the 2019 Session of the General Assembly.

Publishing Criminal Records

Description

Amends the Freedom of Information Act. Provides that a law enforcement agency may not electronically provide or publish booking photographs unless: (1) the booking photograph is posted to social media to assist in the search for a missing person or to assist in the search for a fugitive, person of interest, or individual wanted in relation to a crime other than a petty offense, business offense, Class C misdemeanor, or Class B misdemeanor; or (2) the person is convicted of a crime other than a petty offense, business offense, Class C misdemeanor, or Class B misdemeanor. Deletes language providing that a law enforcement agency may publish on its social media website booking photographs relating to charges other than civil offenses, petty offenses, business offenses, Class C misdemeanors, and Class B misdemeanors. Amends the Consumer Fraud and Deceptive Business Practices Act. Provides that it is an unlawful practice for a for-profit publishing entity that publishes on a publicly available Internet website or in any other publication that charges a fee for removal or correction of the information to fail to remove within 30 days, without the imposition of any fee, the criminal record information of a person who provides the entity with: a pardon from the Governor or a certificate of innocence stating that the person is innocent of all offenses relating to the criminal record information; court records indicating that the person was found not guilty or that the case ended without a finding of guilt; or an order to expunge or seal the criminal record information of the person. Provides that a violating entity is subject to a civil penalty of \$1,000 per day, plus attorney's fees, which shall be deposited into the General Revenue Fund.

Foia/Elections-Cybersecurity

Description

Amends the Freedom of Information Act. Exempts from disclosure risk and vulnerability assessments, security measures, schedules, certifications, and response policies or plans that are designed to detect, defend against, prevent, or respond to potential cyber attacks upon the State's or an election authority's network systems, or records that the disclosure of which would, in any way, constitute a risk to the proper administration of elections or voter registration. Provides that the information is exempt only to the extent that disclosure could reasonably be expected to jeopardize the effectiveness of the measures or the safety of computer systems. Provides that the exemption applies to records held by the State Board of Elections, the Department of Innovation and Technology, election authorities, and any other necessary party to protect the administration of elections. Amends the Election Code. In provisions governing the administration of the cyber navigator program, directs the allocation of resources received in accordance with the 2018 Help America Vote Act Election Security Grant (instead of the allocation of resources received in accordance with the federal Help America Vote Act). Effective immediately.

Foia-Exemptions-Prosecutor

Description

Amends the Freedom of Information Act. Exempts from inspection and copying interagency or intra-agency memoranda or letters that would not be available by law to a party other than an agency in litigation with the agency. Provides that the exemption does not apply to a record created 25 years or more before the date on which the record is requested. Replaces everything after the enacting clause. Amends the Freedom of Information Act. Exempts from inspection and copying under the Act: (1) materials gathered in connection with a grand jury proceeding or documents contained within the prosecution trial file, except as may be allowed under discovery rules adopted by the Illinois Supreme Court; and (2) records in the possession of a prosecutor that were prepared or compiled by the prosecutor in connection with postconviction proceedings or any voluntary post-conviction internal review.

Foia-Arrest/Criminal Records

Description

Amends the Freedom of Information Act. Exempts from inspection and copying a law enforcement record created for law enforcement purposes if the public body that is the recipient of the request did not create the record and did not participate in or have a role in any of the events that are the subject of the record. Provides that if a public body receives a request for a law enforcement record created for law enforcement purposes that it did not create, the public body shall direct the requester to the public body that created the law enforcement record. Deletes language exempting from inspection and copying a law enforcement record created for law enforcement purposes and contained in a shared electronic record management system if the law enforcement agency that is the recipient of the request did not create the record, did not participate in or have a role in any of the events which are the subject of the record, and only has access to the record through the shared electronic record management system. Replaces everything after the enacting clause with the provisions of the introduced bill, and replaces references to "public body" in the amendatory language with references to "law enforcement agency". Restores language exempting from inspection and copying a law enforcement record created for law enforcement purposes and contained in a shared electronic record management system if the law enforcement agency that is the recipient of the request did not create the record, did not participate in or have a role in any of the events which are the subject of the record, and only has access to the record through the shared electronic record management system. Deletes language: exempting from inspection and copying a law enforcement record created for law enforcement purposes if the law enforcement agency that is the recipient of the request did not create the record and did not participate in or have a role in any of the events that are the subject of the record; and providing that if a law enforcement agency receives a request for a law enforcement record created for law enforcement purposes that it did not create, the law enforcement agency shall direct the requester to the law enforcement agency that created the law enforcement record. Instead exempts from inspection and copying a law enforcement record that is: (i) created by a law enforcement agency other than the law enforcement agency that is the recipient of the request; and (ii) attached as an exhibit to a law enforcement record created by the law enforcement agency that is the recipient of the request, if the law enforcement agency notifies the requester of the additional law enforcement records available from different law enforcement agencies and the law enforcement agencies the requester ma... Digital Election Communication

Bill Number

Description

Amends the Election Code. Provides that "electioneering communication" also means a digital communication and includes any communication that is placed or promoted on an online platform. Provides the requirements for an online platform. Provides that the requirements do no apply to a news medium or reporter as defined in the Code of Civil Procedure. In provisions concerning disclosures in political communications, provides that a political committee that pays for a specified political communication must be identified conspicuously within the communication. Provides that a communication does not make a statement in a clear and conspicuous manner if it is difficult to read or hear or if the placement is easily overlooked. Provides that each provider of electioneering communications shall make reasonable efforts to ensure that electioneering communications are not purchased by a foreign national, directly or indirectly. **Categories:** Government Administration, Elections, Communications, Internet, Radio, Television, Civil Rights, Privacy, Legal Affairs, State Judiciary, Civil Law & Procedure

Title

Political campaign advertisements; disclosure requirements, advertisements placed, etc.

Description

Political campaign advertisements; disclosure requirements; advertisements placed or promoted for a fee on an online platform. Subjects any message that is placed or promoted for a fee on an online platform to the same disclosure requirements to which print media, television, and radio advertisements are subject. The bill defines "online platform" as any public-facing website, web application, or digital application, including a social network, ad network, or search engine, that sells advertisements and has at least 50 million unique monthly United States visitors or users for a majority of months during the preceding 12 months. The bill expands the definition of "print media" to include any nonvideo or non-audio message placed or promoted for a fee on an online platform, subjects advertisements in video format that are placed or promoted for a fee on an online platform to the same disclosure requirements to which television advertisements are subject, and subjects advertisements in audio format that are placed or promoted for a fee on an online platform to the same disclosure requirements to which radio advertisements are subject.

Title

Notice of sheriff's sale of foreclosed property.

Description

Amends the statute concerning the procedures for a sheriff's sale of real property subject to a mortgage foreclosure judgment to provide that before selling the property, the sheriff must advertise the sale by arranging for the posting of a notice of the sale on the Internet web site maintained by: (1) each county in which the real estate is located; or (2) the office of the sheriff; at the discretion of the sheriff. (Current law requires the sheriff to advertise the sale by publication in a newspaper of general circulation in each county in which the property is located.) Specifies that existing law governing an error or omission in a legal notice published in a newspaper also applies to a sheriff's sale notice posted on an Internet web site. Provides that if: (1) a county in which the real estate is located does not maintain an Internet web site; and (2) the office of the sheriff does not maintain an Internet web site; the sheriff shall advertise the sale by publication in the county. Provides that in a case in which: (1) the sheriff must publish a sheriff's sale notice in a newspaper; and (2) the sheriff is unable to procure such publication; the sheriff shall execute a written statement explaining why publication was not possible. (Current law does not specify that the sheriff's statement must be in writing.) Provides that the sheriff shall: (1) maintain a record, in a printed or an electronic format, of the written statement for a period of not less than three years from the date of execution of the statement; and (2) make the statement available to the public upon request. Provides that a sheriff who posts a sheriff's sale notice on a county's or the sheriff's Internet web site shall: (1) maintain a record, in a printed or an electronic format, of the posted notice of sale for a period of not less than three years from the date on which the notice is removed from the Internet web site after the occurrence of an event specified under the bill; and (2) make the record available to the public upon request. Makes conforming amendments.

IN

Publication of local government notices.

Description

Allows a political subdivision, which includes an agency of a political subdivision, to publish legal notices on a legal notice web site instead of in a newspaper. Establishes requirements regarding availability and accessibility of a legal notice web site. Requires a political subdivision to designate an official responsible for the electronic publication of legal notices, if the political subdivision publishes legal notices electronically. Provides that if a political subdivision does not have an official web site, legal notices may be published on an official web site of the county government. Establishes requirements for the duration of the posting of a legal notice and proof of posting.

Newspapers; legal notice and publications, requirements.

Description

Newspapers; legal notice and publications; requirements. Alters the requirements for newspapers that may be used for legal notices and publications by (i) changing the publication and circulation requirement from 24 consecutive weeks to at least 50 of the preceding 52 weeks and requiring such publication be in printed form; (ii) requiring that such a newspaper provide general news coverage of the area in which the notice is to be published; and (iii) requiring that such a newspaper have a periodicals mailing permit issued by the United States Postal Service. The bill further provides that a newspaper that lacks a periodicals permit issued by the United States Postal Service may petition the circuit court for the jurisdiction in which such notices or publications are to be published, as opposed to where such newspaper is located as current law requires, for the authority to be certified as a newspaper of general circulation. The bill further allows a locality that determines that no newspaper published in such locality otherwise meets the requirements that enable it to be a newspaper for the use of such notices and publications to petition the circuit court in the jurisdiction in which such notices and publications are to be published for the authority to be published in another medium. The bill specifies that such petition shall not be filed without majority approval of the locality's local governing body. The bill requires that any newspaper authorized to publish such notices and publications shall also (a) print such notices and publications in a prominent location in such newspaper with an identifying heading in boldface letters no smaller than 24-point type and (b) maintain at least three years' worth of print archives of such newspaper and make such archives available for public inspection. The bill further requires that a newspaper shall post a notice on the newspaper's website, if such a website is published by such newspaper, and on a searchable, statewide repository website established and maintained as a joint venture of the majority of Virginia newspapers as a repository for such notices. The bill provides that any notice published on a website shall be accessible to the public at no charge.

Autodialer-Caller Id-Consent

Description

Amends the Automatic Telephone Dialers Act. Redefines "recorded message" to mean any artificial or recorded communication that includes or introduces an advertisement or constitutes telemarketing without live voice interaction (rather than any taped communication soliciting the sale of goods or services without live voice interaction). Prohibits an autodialer from providing inaccurate caller ID information in violation of a specified federal law and regulations of the Federal Communications Commission. Provides that it is a violation of the Act to play a recorded message (rather than a prerecorded message) placed by an autodialer without the (i) prior express consent of the called party or (ii) the prior express written consent of the called party if the call is made by or on behalf of a tax-exempt nonprofit organization or is a call that delivers a health care message made by, or on behalf of, a covered entity or its business associate as those terms are defined in a specified provision of the Health Insurance Portability and Accountability Act of 1996. Defines "telemarketing" and "prior express written consent".

Title

Telephone solicitation.

Description

Provides that the exemption from the state's "do not call" statute for insurance producers applies only if: (1) the producer; or (2) the insurer on whose behalf the producer is calling; has an established business relationship with the consumer. Adds to the list of telephone calls that are exempt from the "do not call" statute any telephone call made to a consumer by: (1) a financial institution; or (2) a person licensed by the department of financial institutions to engage in first lien mortgage transactions or consumer credit transactions; that has an established business relationship with the consumer. In addition to requiring the consumer protection division of the attorney general's office (division) to notify Indiana residents of the right of any eligible consumer to place a telephone number on the state's "do not call" listing, requires the division to notify residents of the following: (1) The prohibition under federal law against a person making any call using an: (A) automatic telephone dialing system; or (B) artificial or prerecorded voice; to any telephone number assigned to a mobile telecommunications service. (2) The prohibition under federal law against a person initiating any telephone call to any residential telephone line using an artificial or prerecorded voice to deliver a message without the prior consent of the called party. (3) Information concerning the placement of a telephone number on the National Do Not Call Registry operated by the Federal Trade Commission. Allows the division to use the consumer protection division telephone solicitation fund (fund) to: (1) administer the statutes concerning: (A) the registration of telephone solicitors; and (B) the regulation of automatic dialing machines; and (2) reimburse county prosecutors for expenses incurred in extraditing violators of these and other state and federal statutes concerning telephone solicitations. (Current law provides that the fund may only be used to administer: (1) the state's "do not call" statute; (2) the federal statute concerning restrictions on the use of telephone equipment; and (3) the state statute concerning misleading or inaccurate caller identification.) Provides that certain civil penalties recovered by the attorney general for violations of the statutes concerning: (1) the registration of telephone solicitors; and (2) the regulation of automatic dialing machines; shall be deposited in the consumer protection division telephone solicitation fund. Specifies that a failure to comply with the "do not call" statute is a deceptive act actionable by the attorney general if the failure to comply is knowing or intentional. Amends the standard of liability under the "do not call" statute for a person who directly or indirectly controls a person who fails to c... (click bill link to see more).

Virginia Telephone Privacy Protection Act; transmission of caller identification information.

Description

Virginia Telephone Privacy Protection Act; transmission of caller identification information. Prohibits any person, with the intent to defraud, harass, cause harm, or wrongfully obtain anything of value, from making, placing, or initiating a call or text message or engaging in conduct that results in the display of misleading, false, or inaccurate caller identification information on the receiving party's telephone. The measure prohibits conduct to otherwise (i) circumvent caller identification technology that is designed to allow the receiving party to identify the telephone number, location, or organization from which the call or text message originates or (ii) misrepresent the origin and nature of the call or text message. The measure also prohibits a person, with such intent, from displaying (a) a Virginia area code on the recipient's caller identification system unless the person making, placing, or initiating the call or text message maintains a physical presence in the Commonwealth or (b) the receiving party's telephone number on the contacted party's caller identification system. A violation of these provisions is subject to the remedies provided in the Virginia Telephone Privacy Protection Act (§ 59.1-510 et seq.).

Title

California Consumer Privacy Act of 2018.

Bill Number

AB 25

Description

AB 25, as amended, Chau. California Consumer Privacy Act of 2018. Existing law, the California Consumer Privacy Act of 2018, beginning January 1, 2020, grants consumers various rights with regard to their personal information held by businesses, including the right to request a business to disclose specific pieces of personal information it has collected and to have information held by that business deleted, as specified. Existing law imposes certain responsibilities on the Attorney General in connection with the act, including the creation of regulations and providing guidance on how to comply with the act. Existing law defines "consumer" as a natural person who is a California resident, as defined in a specific regulation, however identified, including by any unique identifier. This bill would exclude from the definition of "consumer" a natural person whose personal information has been collected by a business in the course of a person acting as a job applicant to, or as an employee, contractor, or agent, an employee of, a contractor of, or an agent on behalf of of, the business, to the extent their the person's personal information is collected and used solely for purposes compatible with the context of that person's activities for the business role as a job applicant, employee, contractor, or agent of the business. The bill would also define "contractor" for purposes of that provision. This bill would state the intent of the Legislature to clarify how a business shall comply with a consumer's request for specific pieces of information in a privacy protective manner.

Title

Customer loyalty programs.

Description

AB 846, as amended, Burke. Customer loyalty programs. Existing law, the California Consumer Privacy Act of 2018, beginning on January 1, 2020, grants a consumer various rights with regard to personal information relating to that consumer that is held by a business. Among these rights, the act allows a consumer to opt out of having the consumer's personal information sold to third parties by a business, and the act requires a business that sells a consumer's personal information to third parties to give that consumer notice, as specified. The act prohibits a business from discriminating against the consumer for exercising any of the consumer's rights under the act, except that a business may offer a different price, rate, level, or quality of goods or services to a consumer if the differential treatment is reasonably related to value provided to the consumer by the consumer's data. The act authorizes a business to enter into a financial incentive program only if the consumer affirmatively consents, subject to revocation at any time by the consumer, to the material terms of the incentive program, and the act requires a business that offers a financial incentive to a consumer to notify the consumer of the financial incentive, as specified. The act further prohibits a business from using a financial incentive practice that is unjust, unreasonable, coercive, or usurious in nature. This bill would, instead, prohibit a business from discriminating against the consumer consumer, by charging higher prices or providing a lower level of goods or services, for exercising any of the consumer's rights under the act, except if the differential treatment is reasonably related to value provided to the business by the consumer's data. data, is in connection with a consumer's voluntary participation in a loyalty, rewards, premium features, discount, or club card program, as defined, or is in connection with a specific good or service whose functionality is reasonably related to the collection, use, or sale of the consumer's data. The bill would prohibit a business from using an incentive practice that is coercive or usurious in nature and would specify that a consumer is authorized to enter into an incentive program only if the consumer gives prior consent, which the consumer may revoke at any time. The bill would also strike an inconsistent cross-reference. cross-reference as well as the consent and notification provisions related to a financial incentive program, as described above. The bill would also eliminate the prohibition against a business using a financial incentive practice that is unjust, unreasonable, coercive, or usurious in nature.

Title

California Consumer Privacy Act of 2018.

Description

AB 873, as amended, Irwin. California Consumer Privacy Act of 2018. Existing(1) Existing law, the California Consumer Privacy Act of 2018, beginning on January 1, 2020, grants consumers various rights with regard to their personal information held by businesses, including the right to request a business to disclose specific pieces of personal information it has collected. know what categories of personal information and the specific pieces a business collects and to have information held by that business deleted, as specified. Existing law imposes certain responsibilities on the Attorney General in connection with the act, including creating regulations and providing guidance on how to comply with the act. The act excludes from the definition of personal information consumer information that is deidentified, or aggregate consumer information. The act defines "deidentified" to mean information that cannot reasonably identify, relate to, describe, be capable of being associated with, or be linked, directly or indirectly, to a particular consumer, provided that a business using deidentified information has implemented technical safeguards that prohibit reidentification of the consumer to whom the information may pertain, has implemented business processes specifically prohibiting reidentification of the information to prevent inadvertent release, and makes no attempt to reidentify the information. This bill would revise the definition of "deidentified" to instead mean information that does not reasonably identify or link, directly or indirectly, to a particular consumer, provided that the business makes no attempt to reidentify the information and takes reasonable technical and administrative measures designed to ensure that the data is deidentified, publicly commits to maintain and use the data in a deidentified form, and contractually prohibits recipients of the data from trying to reidentify it. (2) Existing law defines "personal information," as, among other information, that which is capable of being associated with a particular consumer or household. This bill would remove from the scope of the above definition information that "is capable of being associated with" and would also remove the term "household" from this definition. (3) Existing law specifies that the act is not to be construed to require a business to reidentify or otherwise link information that is not maintained in a manner that would be considered personal information. This bill would revise this language to delete the reference to information that is not maintained in "a manner that would be considered personal information." The bill would instead refer to information that is not maintained in personally identified form. The bill would make additional conforming ... (click bill link to see more).

Title

California Consumer Privacy Act of 2018.

Bill Number

AB 874

Description

AB 874, as amended, Irwin. California Consumer Privacy Act of 2018. Existing law, the California Consumer Privacy Act of 2018, beginning on January 1, 2020, grants consumers various rights with regard to their personal information held by businesses, including the right to request a business to disclose specific pieces of personal information it has collected. collected and the right to request a business to delete any personal information collected by the business. The act generally provides for its enforcement by the Attorney General, but also provides for a private right of action in certain circumstances. This bill would state the intent of the Legislature to enact legislation relating to the California Consumer Privacy Act of 2018. The act defines "personal information" to mean information that identifies, relates to, describes, is capable of being associated with, or could reasonably be linked, directly or indirectly, with a particular consumer or household. The act excludes "publicly available information" from the definition of "personal information," and defines the term "publicly available" to mean information that is lawfully made available from federal, state, or local government records, if any conditions associated with that information. Existing law further specifies that information is not "publicly available" if that data is used for a purpose that is not compatible with the purpose for which the data is maintained and made available in the government records or for which it is publicly maintained and specifies that "publicly available" does not include consumer information that is deidentified or aggregate consumer information. This bill would redefine "publicly available" to mean information that is lawfully made available from federal, state, or local records. The bill would delete the above language specifying the conditions in which that information is not "publicly available." The bill would, instead, provide that "personal information" does not include deidentified or aggregate consumer information.

Title

Consumer privacy protection.

Description

AB 950, as introduced, Levine. Consumer privacy protection. Existing law prohibits a business from requesting medical information directly from an individual regardless of whether the information pertains to the individual, and using, sharing, or otherwise disclosing that information for direct marketing purposes unless certain requirements are met, including that it disclose that it is obtaining the information to market or advertise products, goods, or services to the individual and that it obtain consent for the information to be used or shared for that purpose, as specified. This bill would require a business that conducts business in California, and that collects a California resident's consumer data, to disclose to the consumer the monetary value to the business of their consumer data by posting the average monetary value to the business of a consumer's data, including that information in its privacy policy posted on its internet website, and also including in its privacy policy disclosure of any use of a consumer's data that is not directly or exclusively related to the service that the consumer has contracted the business to provide, as specified. The bill would also require a business that conducts business in California, that collects a California resident's consumer data, and that sells that data, to disclose to the consumer the average price it is paid for a consumer's data and to disclose to the consumer the actual price it was paid for a consumer's data upon receipt of a verifiable request for that information from the consumer. This bill would also establish the Consumer Data Privacy Commission comprised of members of academia, civil society, and industry to provide guidance to the Legislature regarding appropriate metrics and methodology for determining the value of consumer data. The bill would require the commission to report its findings to the Legislature on or before January 1, 2021.

Personal information.

Bill Number

AB 1355

Description

AB 1355, as amended, Chau. Personal information. Existing(1) Existing law, the California Consumer Privacy Act of 2018, operative January 1, 2020, grants a consumer various rights in connection with a business, as defined, that collects the consumer's personal information. The act defines various terms for these purposes. The act excludes publicly available information, as defined, from the definition of personal information and excludes both consumer information that is deidentified, as defined, and aggregate consumer information, as defined, from the definition of publicly available. Thus, the act does not exclude, as publicly available information, any either consumer information that is either deidentified or aggregated. This bill would, instead, exclude consumer information that is deidentified or aggregate consumer information from the definition of personal information. The bill would also make nonsubstantive changes to the definition provisions.(2) The act prohibits a business from discriminating against the consumer for exercising any of the consumer's rights under the act, except that a business may offer a different price, rate, level, or quality of goods or services to a consumer if the differential treatment is reasonably related to value provided to the consumer by the consumer's data. This bill would, instead, prohibit a business from discriminating against the consumer for exercising any of the consumer's rights under the act, except if the differential treatment is reasonably related to value provided to the business by the consumer's data.(3) The act requires a business to make certain disclosures to consumers regarding a consumer's rights under the act in a specified manner. The bill would require a business to disclose to consumers, as specified, that a consumer has the right to request the specific pieces of information and the categories of information the business has collected about that consumer as well as the fact that a consumer has the right to request that the business delete that information, as specified.The bill would make conforming and nonsubstantive changes to these and other provisions of the act and would also correct several cross-references.

Title

Business: collection and disclosures of Consumer personal information.

Description

AB 1416, as introduced, Cooley. Business: collection and disclosures of Consumer personal information. Existing law, the California Consumer Privacy Act of 2018, beginning on January 1, 2020, grants a consumer various rights with regard to personal information relating to that consumer that is held by a business, including the right to know the categories of personal information, and the specific pieces of personal information, that a business collects about the consumer. Existing law declares that the act does not restrict a business's ability to, among other things, comply with federal, state, or local laws. This bill would specify that the act also does not restrict a business's ability comply with any rules or regulations. The bill would further specify that the act does not restrict a business's ability to collect, use, retain, sell, authenticate, or disclose personal information in order to: (1) exercise, defend, or protect against legal claims, (2) protect against or prevent fraud or unauthorized transactions, (3) protect against or prevent security incidents or other malicious, deceptive, or illegal activity, or (4) investigate, report, or prosecute those responsible for protecting against fraud, unauthorized transactions, and preventing security incidents or other specified activities. The bill would additionally specify that the act does not restrict a business's ability to collect, use, retain, sell, authenticate, or disclose a consumer's personal information for the purpose of assisting another person or government agency to conduct specified activities.

Description

AB 1564, as introduced, Berman. Consumer privacy: consumer request for disclosure methods. Existing law, the California Consumer Privacy Act of 2018, commencing January 1, 2020, grants a consumer various rights with regard to the consumer's personal information that a business collects, discloses for a business purpose, or sells. Among these rights, the act authorizes a consumer to request that a business that collects, discloses for a business purpose, or sells the consumer's personal information to disclose to the consumer specified information related to those activities. The act imposes certain responsibilities on the Attorney General in connection with the act, including the creation of regulations and providing guidance on how to comply with the act. The act provides that an above-described business is required, in a form that is reasonably accessible to consumers, to make available to consumers 2 or more designated methods for submitting requests for specified information required to be disclosed, including, at a minimum, a toll-free telephone number, and, if the business maintains an internet website, a website address.This bill would, instead, require the business, in a form that is reasonably accessible to consumers, to make available to consumers a toll-free telephone number or an email address for submitting requests for information required to be disclosed, as specified. The bill would, if the business maintains an internet website, require the business to make the internet website address available to consumers to submit requests for information required to be disclosed, as specified.

Title

California Consumer Privacy Act of 2018: consumer remedies.

Description

SB 561, as introduced, Jackson. California Consumer Privacy Act of 2018: consumer remedies. (1) Existing law, the California Consumer Privacy Act of 2018, beginning on January 1, 2020, grants a consumer various rights with regard to personal information relating to that consumer that is held by a business, including the right to know what personal information is collected by a business and to have information held by that business deleted, as specified. The act specifically authorizes a consumer whose nonencrypted or nonredacted personal information, as defined, is subject to unauthorized access and exfiltration, theft, or disclosure as a result of the business's failure to maintain reasonable security procedures to institute a civil action for various damages. This bill would expand a consumer's rights to bring a civil action for damages to apply to other violations under the act. (2) Under existing law, a business or third party may seek the opinion of the Attorney General for guidance on how to comply with the act. This bill would instead specify that the Attorney General may publish materials that provide businesses and others with general guidance on how to comply with the act.(3) Under existing law, a business, service provider, or other person that violates the act is subject to an injunction and is liable for a civil penalty for each violation, which is assessed and recovered in a civil action by the Attorney General. Existing law specifies that a business is in violation of the act if it fails to cure an alleged violation within 30 days after being notified of alleged noncompliance. This bill would delete the 30-day period in which to cure after receiving notice of an alleged violation. The bill would also make related and conforming changes to those provisions.

California Consumer Privacy Act: definition of sale: advertisement service exception.

Description

SB 753, as amended, Stern. California Consumer Privacy Act. California Consumer Privacy Act: definition of sale: advertisement service exception. Existing law, the California Consumer Privacy Act of 2018, beginning on January 1, 2020, grants a consumer various rights with regard to personal information relating to that consumer that a business collects, discloses for a business purpose, or sells, as provided. The act defines various terms for these purposes. The act defines the terms "sell," "selling," "sale," or "sold" to mean selling, renting, releasing, disclosing, disseminating, making available, transferring, or otherwise communicating orally, in writing, or by electronic or other means, a consumer's personal information by the business to another business or a third party for monetary or other valuable consideration. The act provides that, for purposes of the act, a business does not sell personal information in specified circumstances, including, among other exceptions, when the business uses or shares an identifier for a consumer who has opted out of the sale of the consumer's personal information for the purposes of alerting third parties that the consumer has opted out of the sale of the consumer's personal information. The act imposes certain responsibilities on the Attorney General in connection with the act, including the creation of regulations and providing guidance on how to comply with the act. This bill, additionally, would provide that, for purposes of the act, a business does not sell personal information if the business, pursuant to a written contract, shares, discloses, or otherwise communicates to another business or third party a unique identifier only to the extent necessary to serve or audit a specific advertisement to the consumer. The bill would require the contract to prohibit the other business or third party from sharing, selling, or otherwise communicating the information except as necessary to serve or audit advertisement from the business.Existing law, the California Consumer Privacy Act of 2018, beginning on January 1, 2020, grants a consumer various rights with regard to personal information relating to that consumer that is held by a business, including the right to direct the business not to sell the consumer's personal information. The act requires a business that sells consumers' personal information to 3rd parties to provide notice to consumers that this information may be sold and that consumers have the right to direct the business to not to sell this information. The act requires the business to comply by, among other things, providing on its internet homepage a specified link that enables a consumer to direct the business not to sell the consumer's personal information and including tha... Personal Info Protect-Terms

Description

Amends the Personal Information Protection Act. Provides that "consumer marketing information" means information related to a consumer's online browsing history, online search history, or purchasing history, including, but not limited to, consumer profiles that are based upon the information. Provides that "geolocation information" means information that is (i) generated or derived from the operation or use of an electronic communications device, (ii) stored and sufficient to identify the street name and the name of the city or town in which an individual is located, and (iii) likely to enable someone to determine an individual's regular pattern of behavior. Provides that "geolocation information" does not include the contents of an electronic communication. Provides that "medical information" includes genetic information. Provides that "personal information" means an individual's first name or first initial and last name and email address. Adds geolocation information, consumer marketing information, and audio recordings to the list of data elements included in the definition of "personal information".
