Editorial: California Legislature must act to support local news

Spectrum, Frontier and DirecTV don't get to distribute premium TV for free. Why should Google and Facebook be allowed to pirate local news? Google and Facebook contend they are platforms, not publishers, and that they send traffic to publishers. They describe demands that they should pay for news content as "link taxes." But that's balderdash.

Ad: #SupportLocalNews: Give a Subscription to Your Local Newspaper

Again this year, when quality journalism was needed, news publishers came through. But without support in the form of subscriptions and donations, local news is in jeopardy. Ask your readers to show their support during the holiday season by giving a gift subscription to someone they care about. Member login required.

Alliance Joins Coalition Brief in Challenging Texas Drone Regulations

The Alliance joined a brief in *National Press Photographers Association v. McCraw* in the U.S. Court of Appeals for the Fifth Circuit, in urging the Fifth Circuit to grant an en banc review of the panel's earlier opinion reversing the lower court's finding that Texas's restrictive drone law is unconstitutional.

The graphic features a white rectangular card with rounded corners, set against a dark background with teal and black diagonal stripes. At the top left is the **NEWS=MEDIA ALLIANCE** logo. In the center is a red circle containing a white envelope icon. Below the logo, the text **Did you know?** is displayed in a large, bold, sans-serif font. Underneath this, two bullet points are listed in a bold, sans-serif font: **If your news, magazine, or digital media company is a News/Media Alliance member, you're a member.** and **If your company is a member, sign up now to receive our updates!**. At the bottom of the card is a dark grey rectangular button with the text **SIGN ME UP** in yellow capital letters.

The Health Of Journalism: California Hearing Explores The State Of News

California legislators are seeking a path forward for the California Journalism Preservation Act, a bill that would force big tech platforms like Meta and Google to pay news publishers a “journalism usage fee” to use their content.

American Press Institute

An evolution of the mission of The American Press Institute

Our new website and visuals are intended to be welcoming and accessible and easy to navigate, no matter the platform. We hope they all create more clarity about what we do—and what we don’t. But one thing will remain the same: Our commitment to helping the journalism industry provide communities with the information they need to thrive.

Trust Tips 247: Ask your audience what type of climate coverage would be most useful

As journalists, we are expected to cover topics that affect our communities. Climate change fits into that category. How do you do this in a way that is informative but also useful? We want to be accurate and provide facts and data, but how do we do this without scaring the audience away?
