

February 15th Legislative Update

Last Updated: February 14, 2018

Executive Summary

LawView is a tool that will track state legislation on a monthly and as-needed basis. These reports cover state developments critical to the news media industry so that our members can affect policy decisions at a local level. We can add issues or bills to cover, pull reports on a specific piece of legislation upon request, and are open to suggestions for how we will shape this tool for you moving forward. Please email us at policy@newsmediaalliance.org.

Title Introduction Date: 2017-06-22
 21st Century AIRR Act

Description

21st Century Aviation Innovation, Reform, and Reauthorization Act or the 21st Century AIRR Act This bill reauthorizes the Federal Aviation Administration (FAA) through FY2020 and specified FAA programs for FY2018-FY2023. The bill revises requirements for the pilot program for passenger facility charges at nonhub airports and airport improvement program. The bill amends the Vision 100--Century of Aviation Reauthorization Act to extend through FY2023 the authorization for airport development at Midway Island Airport. The Department of Transportation (DOT): shall carry out an environmental mitigation pilot grant program for sponsors of public-use airports, and may make grants to such sponsors for environmental mitigation projects to reduce or mitigate aviation impacts on noise, air quality, or water quality at the airport or within five miles of the airport. The bill establishes the American Air Navigation Services Corporation as a federally chartered, not-for-profit corporation. DOT shall transfer to the corporation: by a certain deadline FAA employees, property, and facilities; and on October 1, 2020, operational control of FAA air traffic services. DOT shall establish a Safety Oversight and Certification Advisory Committee. The FAA shall establish: the FAA Task Force on Flight Standards Reform, and a Regulatory Consistency Communications Board. The FAA shall establish a safety workforce training strategy. DOT shall take appropriate actions to promote U.S. aerospace standards, products, and services abroad. DOT shall modify FAA's final rule published August 19, 1994, relating to flight duty limitations and rest requirements to ensure that: a flight attendant scheduled for a duty period of 14 hours or less is given a scheduled rest period of at least 10 consecutive hours, and the rest period is not reduced under any circumstances. DOT shall develop a comprehensive plan to accelerate the integration of civil unmanned aircraft systems (drones) into the national airspace system. The bill prescribes certain requirements for improving passenger air service. The bill also reauthorizes for FY2018-FY2023 the essential air service program and the small community air service development program. DOT shall: establish a regional air transportation pilot grant program, and provide grants to air carriers to maintain air service to communities not receiving sufficient air service. The FAA shall initiate a review of its strategic aviation cybersecurity plan. DOT shall establish a remote air traffic control tower pilot program for rural or small communities.

HANGUP Act

Description
Help Americans Never Get Unwanted Phone Calls Act of 2017 or the HANGUP Act This bill amends the Communications Act of 1934 and the Bipartisan Budget Act of 2015 to repeal provisions that authorize the use of automated telephone equipment (robocall or robotext equipment) to call cellular telephones or residential telephone lines for the purpose of collecting debts owed to the U.S. government. The bill also extends the Telephone Consumer Protection Act (TCPA) to restrict government contractors and other legal entities from using such automated telephone equipment without prior consent of the called party. (Currently, government contractors are exempt from TCPA restrictions under a Federal Communications Commission declaratory ruling released on July 5, 2016.)

Title Introduction Date: 2017-03-29
Open, Public, Electronic, and Necessary Government Data Act

Description

Open, Public, Electronic, and Necessary Government Data Act or the OPEN Government Data Act This bill requires open government data assets made available by federal agencies (excluding the Government Accountability Office, the Federal Election Commission, and certain other government entities) to be published as machine-readable data. When not otherwise prohibited by law, and to the extent practicable, public data assets and nonpublic data assets maintained by the federal government must be available: (1) in an open format that does not impede use or reuse and that has standards maintained by a standards organization; and (2) under open licenses with a legal guarantee that the data be available at no cost to the public with no restrictions on copying, publishing, distributing, transmitting, citing, or adapting. If published government data assets are not available under an open license, the data must be considered part of the worldwide public domain. Agencies may engage with outside organizations and citizens to leverage public data assets for innovation in public and private sectors. Agencies must: (1) make their enterprise data inventories available to the public on Data.gov, and (2) designate a point of contact to assist the public and respond to complaints about adherence to open data requirements. For privacy, security, confidentiality, or regulatory reasons, agencies may maintain a nonpublic portion of their inventories. The General Services Administration must maintain a single public interface online as a point of entry dedicated to sharing open government data with the public. The Office of Management and Budget must develop and maintain an online repository of tools, best practices, and schema standards to facilitate the adoption of open data practices.
